

## Weddings

Children at your wedding can have a smaller portion of the adults menu or dishes from the popular favourites as noted below.

The same starter, main and dessert options to be chosen for all children (with the exception of smaller adult portions and dietary requirements)

Children's menu is for children aged up to 12 years old. Up to 5 children between the ages of 2 to 5 eat free of charge. We make no charge for babies under the age of two as most parents bring their baby's food with them. We would be happy to heat up any baby food or milk as required. Please ask parents to bring enough milk with them for their babies, we can refrigerate if necessary.
